Garden Bags

At Smartlift, we supply high-quality garden waste bags to local councils across the UK for use in Kerbside Recycling Schemes. Our robust bags are trusted by thousands of businesses, households and local authorities for efficient and reliable garden waste management.

Whether you need a few garden waste bags for a small project or have a larger demand, we are fully equipped to meet your requirements.

Our regen black garden bags are made from 100% recycled content. We prioritise sustainability and are striving to improve our recycled product range along with still offering our green garden waste bags at 30% rpp.
