SMARTLIFT
BULK PACKAGING

We are proud to have received our silver certificate from Ecovadis -
The world's most trusted business sustainability ratings and ESG compliance solution

We have partnered with EcoVadis to help support and navigate our sustainability journey, helping us through the challenges of the sustainability world of business, our performance against our competition and tracking our progress over time.

We are excited to continue this journey alongside EcoVadis with our commitment to environmental, social, and ethical performance.
